

Create your own Playwheel

Option 1: Build your own Playwheel

- Print all pages and cut out the individual layers (cut along the red line).
- Place all layers on top of each other (as shown below).
- Put a clip, a paper clip e.g. at the center of the wheel - making it turnable.

Option 2: Print and cut out a picture of the Playwheel

- Print page 1 only (1 out of 3).
- Cut out the picture.
